

Suzuki Genuine Accessories have been specially designed for Suzuki cars and are subject to the same quality standards as the car. Please note that only Suzuki Genuine Accessories have been tested and cleared for use by Suzuki. The necessary instructions can be found in the relevant manuals. It is possible under some circumstances that the installation and/or use of other accessory parts could have a negative effect on the structural characteristics of your car and thus reduce driving safety. Suzuki cannot accept any liability for damage caused by the use of accessories other than Suzuki Genuine Accessories.

On publication of this catalogue all earlier information ceases to be valid. Some of the catalogue's illustrations show special equipment.

The details given in this catalogue are non-binding and are purely for informational purposes. There might be errors and/or misprints in this catalogue.

We kindly ask you to make sure that all legal requirements are fulfilled in your country when using the range of Suzuki Genuine Accessories.

SUZUKI MOTOR CORPORATION reserves the right, without notice, to make any changes, modifications, to re-design or discontinue any item at any time.

Some catalogue items may not comply with local standards or statutory requirements. Please check your local regulation before ordering and installing accessories from this catalogue.

Actual colours or packaging may differ from those appearing in this catalogue.
